

# ATTENTION!

THIS IS A DOUBLE-SIDED PAGE! MAKE SURE THE CROP MARKS ARE ALIGNED BEFORE CUTTING!

## FRONT

Cut along the crop marks with an X-acto knife, paper trimmer, or scissors.  
Final invitation size is  $5 \frac{1}{2}'' \times 4 \frac{1}{4}''$   
Print on card stock or glossy photo paper.

For best results, line up the crop marks with an aluminum ruler or straight edge. Then firmly cut along the edge of ruler or straight edge with an X-acto knife; first cutting all vertical lines, then all horizontal lines. This will allow the black ink to "bleed" off the invitation.
